

NEW YORK. Jan 2.—There are fostlone in stationary, as in everything elethose days, and the fashinus change with
the popularity of cloud work. That he
swagger woman goes without saving
Ceam, white heavy hirpon paper, fitted
in square envelopes, estates size, is a de
tikeur" for all formal correspondence,
however, many tints of raper are apies
chosen. Robins' egrb the and silver gosy
are very popular, while lavender, cate as
and points have there younges. A
smaller size than the estate, the similar
color and quality, serves for note paper
of exquisite satiny texture. The ornamentation, marking and decoration of
the stationary serves seedral very distinser forms. The address simply engraved
across the top of the sheet, the monogram in the centre, at the top, or the
cross of coat of arms above, or in combination with the address, simply engraved
across the top of the sheet, the monogram in the centre, at the top, or the
cross of coat of arms above, or in combination with the address, simply engraved
describes the prevailing modes used in
marking paper.

The variety, style and coloring of these
different dies from a disort, or in combination dies from a disort of the single and reducing the
cross of coat of arms above, or in combination with the address, simply engraved
describes the prevailing modes used in
marking paper.

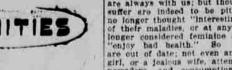

The variety, style and coloring of these
different dies from a disort of the single and reducing the
color find sale.

Silver and sold, light green, dark often
and believe of first and reducinery the day in marking,
however. Magenta, blue, pink and born,
besides gandy combinations of gilt and
color find sale.

Mourning stationery is of gray paper,
bordered with black, the width or this

bordered with the chapters this, colding decreasing as time places, this, of course, is marked in black. Handsome white paper is also berilated and marked in black. For the season of ball mounts, of Guelle has a smaller a Landsome god in black. For the season of ball mounts, and the black are smaller a Landsome god in black. For the season of ball mounts, the season of the form of the black are all the season of the season of the black are all the season of the season of the black are all the season of the season of the season of the black are all the season of the season of the black are all the se
